Review and Follow Up

Retreat: How did it go?

Great a lot of people went	105 students
Nice to have three different speakers	A lot of things back to back
A bit of a overload; packed	Scheduling issue every year
Alone time got cut	Went straight from men's and women's time to session, rushed
Breakfast, quiet time, session?	Weather was nice
Liked having two workshops	Talks and workshops seemed relevant
Jared workshop again	Zion and sarah's workshop again
Favorite things from retreat	
Things that could be improved / things that didn't go well	
How did you see God move / meet you at retreat?	
Close community	Vulnerability at the campfire

Involvement Surveys: Has everyone here filled this out? Yes!

Plant Outreach: How did it go?

People were open to want it	Winter?
Coffee and Donut Outreach	Do some outreach like this
More effective then the Hope Outreach	We make people feel like we care what they think

Ministry Teams and Bible Studies

Bible Studies: How are they going?

Men's Bible Study (Michael and Jackson)

Going good	A lot of good convos
Elevated convo from last year	Possibly starting a tuesday bible study
Putting a poll in the men's groupme to see	

Women's Tuesday Bible Study (Kelsey, Amanda, Emma, Amber)

Women's Wednesday Bible Study (Eva, Haley, Cassie)

Going well with multiple leaders!	If we do another men's BS, we would need a BSLT
